

**General notes:**

Please check this schedule to have your name and your correct (!) exercise partner.

If you are not listed although you should be, or something else is wrong **Notify us immediately!**

**How it works:**

We will announce a meeting. Please be in the waiting room of the meeting at your scheduled time.

We will ask some questions to you, and some to your partner.

If you are aware of any mistakes you made in the exercises, it helps to mention how to correct them.

It is generally in your interest to keep your answers very **short and precise**:

The exams cannot be prolonged and you will have to demonstrate your knowledge in a short time.

Especially: If you **do not** really know an answer, please just say so such that we can move on.

Sadly, we cannot provide you with your grades immediately after the exam (very tight schedule).

We wish you the best of luck!
